

CompTIA Academy Program

CompTIA AUTHORIZED ACADEMY PARTNER PROGRAM

The goal of the CompTIA Authorized Partner Program for Academy Partners (CAPP) is to provide valuable tools and resources to assist training organizations in recruiting, training and certifying IT professionals. Successful IT careers start with quality training and certification. Research has shown that certified employees have superior communication skills and are better able to understand new or complex technologies. CAPP is designed to help trainers promote certification and enhance IT career opportunities for their learners.

73% of Australian organizations have experienced at least one security breach.

89% of firms use some type of IT security training to assess or improve security knowledge among their employees during the past 12 months.
