

CompTIA Delivery Program Overview

The Computing Technology Industry Association (CompTIA) is a leading voice and advocate for the \$4.8 trillion global information technology ecosystem; and the more than 35 million industry and tech professionals who design, implement, manage, and safeguard the technology that powers the world's economy. Through education, training, certifications, advocacy, philanthropy, and market research, CompTIA is the hub for advancing the tech industry and its workforce. Visit [CompTIA.org](https://www.comptia.org) to learn more.

CompTIA AUTHORIZED DELIVERY PARTNER PROGRAM

The goal of the CompTIA Authorized Partner Program for Delivery Partners (CAPP) is to provide valuable tools and resources to assist training organizations in recruiting, training and certifying IT professionals. Successful IT careers start with quality training and certification. Research has shown that certified employees have superior communication skills and are better able to understand new or complex technologies. CAPP is designed to help trainers promote certification and enhance IT career opportunities for their learners.

REQUIREMENTS TO JOIN

CAPP is a global program designed for professional training organizations which provide training for CompTIA certifications. CompTIA certifications. In order to join, a training organization must fulfill the following requirements:

Delivery Partner Level			
Annual Dues	\$500	\$1,000	\$2,500
Annual Voucher Purchase Threshold (Units)	< 100	100 - 249	250+
Instruction and Curriculum	<ul style="list-style-type: none"> • Offer at least one CompTIA certification course. • Require all CompTIA instructors are certified in the CompTIA course(s) they teach. • Require all instructors teaching CompTIA courses have CompTIA CTT+™ certification or other industry-approved trainer certification or credential. • Use of Official CompTIA Content for all courses mapping to CompTIA certifications. 		
Certification Testing	CompTIA recommends all Delivery Partners to offer Pearson VUE testing. Testing validates learners' skills and is the final, essential step in demonstrating a learner has acquired the necessary knowledge to perform certain job-related tasks. Learn how to become a testing center by visiting the Pearson Vue site: https://bit.ly/1T5l2vJ		
Marketing and Co-branding	Delivery partners must comply with correct usage of all CompTIA logos and other marks on marketing materials, websites and collateral.		

TO JOIN

Please contact CompTIA at capp@compTIA.org or visit [CompTIA.org/Delivery](https://www.comptia.org/Delivery) and complete the application.
