

CompTIA Academy Program

CompTIA AUTHORIZED ACADEMY PARTNER PROGRAM

The goal of the CompTIA Authorized Academy Partner Program is to provide valuable tools and resources to assist schools in recruiting, training, certifying, and upgrading the skills of their students in IT.

Successful IT careers start with quality education and certification. Research has shown that certified employees have superior communication skills and are better able to understand new or complex technologies. CompTIA's Academy program is designed to help schools promote certification and enhance student career opportunities.

Our digital world is expanding so rapidly that it's creating IT job openings faster than trained people can be found to fill them. Right now there are almost 2,000,000 unfilled IT jobs globally in a variety of industries.* There's no better time to get into IT.
