Delivery Program

*The Computing Technology Industry Association (CompTIA) is the tech-forward community of the \$5.2 trillion global IT ecosystem and the hub for the approximately 75 million professionals who design, deploy, manage and secure the technology that powers the modern economy. Through collaboration, education, certifications, advocacy and market research, **CompTIA delivers the tech talent that moves the workforce forward.***

CompTIA Authorized Delivery Partner Program

The goal of the CompTIA Authorized Partner Program for Delivery Partners is to provide valuable tools and resources to assist training organizations in training and certifying IT professionals. Successful IT careers start with quality training and certification. Research has shown that certified employees have superior communication skills and are better able to understand new and complex technologies. The program is designed to help trainers promote certifications and enhance IT career pathways for their learners.

TO JOIN: Please visit [CompTIA.org/delivery](https://www.comptia.org/delivery) and complete the application. There is no fee to join. If you have questions, please contact your CompTIA Account Manager.
