

# CompTIA Academy Program

## CompTIA AUTHORIZED ACADEMY PARTNER PROGRAM

The goal of the CompTIA Authorized Academy Partner Program is to provide valuable tools and resources to assist schools in recruiting, training, certifying, and upgrading the skills of their students in IT.

IT careers start with the right education, and research has shown that certified employees have superior communication skills and are better able to understand new and complex technologies. CompTIA's Academy program is designed to help schools promote certification and enhance student career opportunities.

Practice is the solidest part of grasping information technology; where as training is the crux of alteration."

\*T-Systems ICT Academy,  
March 2016

## ABOUT CompTIA

CompTIA is the voice of the world's information technology (IT) industry. As a non-profit trade association advancing the global interests of IT professionals and companies, we focus our programs on four main areas: education, certification, advocacy and philanthropy. CompTIA serves the IT industry as the world's largest developer of vendor-neutral IT exams. CompTIA certifications validate technical skills in the areas of maintenance and support of PCs, mobile devices, laptops, operating systems, networking, security and server technology.
